<p>Math questions generally increase in difficulty level as you move through that question type in a section. Reading passage questions generally progress chronologically through the passage, not by difficulty level. Writing &amp; Language passage questions do not progress by difficulty level.</p>	<p>Difficulty Levels</p>	<p>For the English and Reading sections, the difficulty level of the questions is random. For the Math section, questions generally increase in difficulty as you progress through the section. For the Science section, passages generally increase in difficulty as you progress through the test, and questions generally become more difficult as you progress through a passage.</p>
<p>Arithmetic, problem-solving &amp; data analysis, heart of algebra, geometry, pre-calculus, and trigonometry; formulas provided</p>	<p>Math Levels</p>	<p>Arithmetic, algebra I and II, functions, geometry, trigonometry; no formulas are provided</p>
<p>Seven times per year: March or April, May, June, August, October, November, December (note that some states offer the SAT as part of their state testing requirements; these tests are not administered on the national test dates)</p>	<p>Offered when?</p>	<p>Six times per year: February, April, June, July, September, October, December (note that some states offer the ACT as part of their state testing requirements; these tests are not administered on the national test dates)</p>
<p>Typically about four weeks before the test date</p>	<p>Registration deadline?</p>	<p>Typically about five to six weeks before the test date</p>
